TRAIL TO FIRST CLASS 2nd Class REQUIREMENT 3b

Dear Parents:

We are planning a walking trip to the Korean Bell of Friendship as a part of the Trail to First Class (Second Class Requirement #1b). This hike is approximately five miles in length and is a strenuous activity. Please advise center staff if your Scout needs an inhaler.

Things needed to participate in this activity are: Compass, Boy Scout 10 Essentials (see Scout Handbook), comfortable walking shoes, Troop t-shirt, sunscreen, bottled water, and a cap.

Scouts participating in this activity will take their sack lunch with them on the hike. They will be accompanied by at least two adults who will walk with them to the Korean Bell of Friendship. They will leave camp at approximately 12 p.m. and will eat lunch when they arrive at the Korean Bell. They will hike back to camp and arrive at approximately 4 - 4:30 p.m.

At that time, Scouts will have a closing ceremony in the amphitheater where they will receive any completed (or partial) blue cards, and have their Scout books signed off.
